from the Grain Merchants' Association, Bangalore, and the Merchants' Association, Mysore, requesting recognition for returning a member to the R.A., and to the R.A. and L.C., respectively. It is for consideration whether in view of the fact that a registered member has been duly elected by the Chamber of Commerce (the recognised constituency for trade and commerce) the two associations that have since applied for recognition could now be grouped together along with the Chamber of Commerce for returning a member to the R.A.

As for (4) the Inamdars' Ass". has applied for recognition. It was recognised on the last occasion, and the Dy. Comr. has replied favourably. One member will therefore be returned by this association.

In regard to (8) —— Other special interests —— the following interests were recognised for the previous Assembly, viz.,

1) Spinning and Weaving
2) Hand-loom Weavers
3) Co-operation
4) Factory Labour
5) Mining Labour
6) Banking interests
7) Sericulture.

The recommendations of the Seal Committee in this behalf are contained in paragraphs 105 to 117 of their report at pages 41 to 43. It is open to Govt. to recognise now the same.

Similarly in the case of the legislative council there are 4 non-territorial constituencies, viz.,

1) Mysore University
2) Commerce and Trade
3) Planting
4) Labour.

In regard to (1) election was held on the 12th March last and the results have been published. As regards (2) the chamber of Com. has elected its own member, and the Merchants' Ass". Mysore has since applied for recognition to return a member to the L.A. and one to the L.C. As for (3) action has been taken separately and the calendar for the election of a member has already been published. In regard to (4) for want of associations representing labour Mr. P. Murugesam was nominated by Govt. Now applications have been received from the Textile Labour Union and the Maharaja Mills Labour Union.

The details about the several institutions that have applied for recognition to enable them to return members to the L.A. or L.C. are given in the statement put up.

Orders are solicited as to which bona fide interests should be recognized for L.A., and whether any of the institutions referred to should be recognized to return members to the L.A. or L.C.

5.4.27.

NOTE. Contn. Sheet

Leaving out the four following special interests, viz.,

(1) the Mysore University
(2) the Legal Interest
(3) the European Planting interes
(4) the Indian Planting interest

in regard to which separate action has already been taken, the remaining interests to be recognised are:

(1) Gold Mining
(2) Trade & Commerce
(3) Inamdars &
(4) other seven specified special interests:

In dealing with primary and secon dary education as well as co-operativ credit and agricultural labour, the Seal Committee while recognizing such interests to be represented did not make any special provision for the owing to the difficulties connected with the formation of constituencies for such extensive interests. Government have, however, observed "that as soon as organizations are formed to develop these interests, they will be given the privilege of returning one member each to the Assembly". In the absence of such organizations, Government reserved to themselves the power to nominate members for any or all of those interests. Last time, Government recognized seven such interests as noted supra and there is nothing to prevent Government recognizing new interests, provided there are associations which are doing work in that direction. In this view, the following recommendations are submitted for orders:

orders:

Thirteen associations have applied for recognition in this connection and the details relating to these associations are given in the statement put u

(1) GOLD MINING.- The Kolar Gold Fields Mining Board (No.13 on the list This is the recognized constituency and the Deputy Commissioner has reported that it is run on excellent lines, and that the Association is thinking t request Government to nominate Col. Keith (elected by them).

+ D
R A. 49-26-110

This may be approved.

(2) TRADE & COMMERCE.-

The Chamber of Commerce (No.8 in the list)
The Grain Merchants' Association .... (No.4 ")
&
The Merchants' Association, Mysore.... (No.11 ")

may be grouped together to return one member. It is true that a reference was made by this office to the Chamber of Commerce about the action to be taken in this connection; they have elected a member for the R.A. and a member for the L.C. and the result has been reported to Government. But as there are other important associations representing similar interests whose cases are now being considered, there seems to be no objection to club together the three institutions now for returning a member.

(7

(3) INAMDARS' ASSOCIATION.-
(No.6 on the list).

This is the recognized constituency for the last Assembly and may be recognized now also to return one member.

(4) SEVEN OTHER SPECIAL INTERESTS

(a) Factory labour:

(i) Textile Labour Union (No.1 on the list)
(ii) Maharaja Mills Labour Union (No.7 on the list)

Both these associations are registered and the Deputy Commissioner has reported favourably. The two may be grouped together to return one member to represent factory labour.

(b) Hand-loom Weaving:

(i) Devanga Sangha, Bangalore.... (No.2 on the list)
(ii) Weavers' Co-operative Society Bangalore (No.3 on the list)

Devanga Sangha is registered under the Societies' Regulation and the Weavers' Coop.ve Society under the Coop.Societies Regn. The Deputy Commissioner has reported that the Devanga Sangha is working well. Another regd.Assn. Andhra Devanga Sangha has also applied for nomination of Mr.K.V. Nanjappa, one of their members. All these three may be clubbed together to return one member to represent hand-loom weaving.

S
(Sl 10)

(c) Mining labour.

There is no association representing this interest that

that has come forward with an appli cation for recognition. The Deputy Commissioner, Kolar has recommended that Mr. O.V. Rajagopal, a leading contractor on the K.G.F. and Secretary to the Depressed Class Mission Society and an elected member of the K.G.F. Sanitary Board may be nominated to represent the interest. On the last occasion, Mr. Nanjappa bin Gopal Nayudu was nominated after consulting the ~~Deputy Commissioner~~ Director of Ind. & Com.

(d) SPINNING & WEAVING MILLS.

The interest may be recognized and a member nominated after making the necessary consultation.

(e) SERICULTURE.

The interest may be recognised. As the report of the Deputy Commissioner, Kolar, in regard to the Sericultural Association at Sidlaghatta is not quite satisfactory, a member will have to be nominated after consulting the Deputy Commissioner and Supt. of Sericulture or ~~xxxxxx~~ Director of Agriculture.

(f) AGRICULTURAL INTERESTS.

The Vokkaligara Sangha (No.5 on the list) is the only association that has come forward to seek recognition. The Deputy Commissioner's report

is

is that it is working well, the balance at credit of the associatio being Rs. 10,936-12-5. A special deputation waited on the Dewan on about the 20th of March and the several objects of the Sangha are detailed in the statement put up.

It is proposed that the agricultural interest ~~may~~ be recognized for the current triennium and the Sangha empowered to return a member.

(g) CO-OPERATION.

There is an application from the Co-operative Propagandist Insti-tute (12 on the list). Either this institute may be constituted the electorate for returning a member representing Co-operation or a member may be nominated by Government.

Sl. 25.

Thus it will be seen that seven special interests to be recognized will be:

(1) Factory labour;
(2) Hand-loom weaving
(3) Mining Labour;
(4) Spinning and Weaving Mills;
(5) Sericulture
(6) Agricultural Interests &
(7) Co-operation.

It will be seen that six of the special interests are the same as for the last triennium. The seventh has been taken as agricultural interests in the place of Banking interests.

agriculture. It is also said that even where merchants and planters are returned from general constituencies, ~~they~~ yet they are allowed special representation.

It is further represented that when Bills relating to agriculture are before the Council there is no one to specially voice the opinion of the agriculturists and that it is desirable that there should be present in the R.A. and the L.C. a member speially devoted to the agricultural interests when such questions come up for consideration.

As an instance of the interest taken by the Sangha in agriculture it is mentioned that the Vokkaligara Patrike brought out special supplementary issues advocating the early introduction of the Agriculturists' Relief Bill and the Record of Rights Bill when they were on the anvil of the L.C.
